Layer Tape

# Every feature an added benefit

## COMFORT

**Fabric:** **Wyndel Adult Diaper** has soft satin feel that allows for free movement and feels natural.

**Dryness:** Super absorbent 3D core of diaper with imported ADL ensures maximum absorption and with super dry feel layer ensures 10 hours of freshness.

**Design:** European design of **Wyndel Adult Diaper** with its barbel shaped core ensures a snugged fit - with interior standing leg cuffs which ensures a leak proof design while it provides comfort to the patient.

**Wetness indicator:** **Wyndel Adult Diapers** comes with a wetness indicator that disappears. It affords to know if a diaper has reached capacity without having to open and peek.

## ABSORBENCY

**Core Pulp:** Made of 3D multilayered pad with super absorbent pulp and diamond embossed fabric, ensures maximum absorbency.

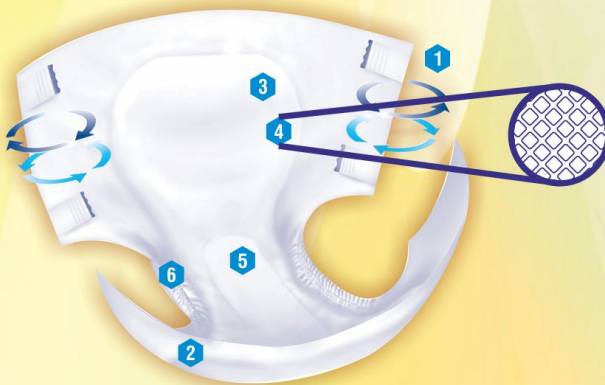

**Anti Bacterial:** **Wyndel Adult Diaper** with anti bacterial properties of the SAP ensures maximum protection against itching and rashes.

**Leakproof Lining:** **Wyndel** is of european design and has interior standing leg cuffs that prevent any leakage and contains the discharge within the core.

**Odour Control:** High quality SAP ensures maximum absorbency controls odour. It ensures a relatively pleasant experience to both the patient and care giver.
