Anti Bacterial*

*Comfort Fit &  
Easy To Handle*

*Leakage  
Prevention*

*All Materials  
Pure Breathable*

*COMFORT EDITION*

# Every feature an added benefit

## COMFORT

**Fabric:** Wyndel Baby Diaper has soft feel that allows free movement and feels natural.

**Dryness:** Super absorbent core of diaper with imported ADL ensures maximum absorption and with super dry layer ensures maximum freshness.

**Design:** The design of Wyndel Baby Diaper with its barbel shaped core ensures a snugged fit - with interior standing leg cuffs which ensures a leak proof design while it provides comfort to the baby.

**Wetness Indicator:** Wyndel Baby Diapers comes with a wetness indicator that disappears. It affords to know if a diaper has reached capacity without having to open and peek.

## ABSORBENCY

**Core Pulp:** Made of multilayered pad with super absorbent pulp that ensures maximum absorbency.

**Anti Bacterial:** Wyndel Baby Diaper with anti bacterial properties of the SAP ensures maximum protection against itching and rashes.

**Leakproof Lining:** Wyndel has interior standing leg cuffs that prevent any leakage and contains the discharge within the core.

**Odour Control:** High quality SAP ensures maximum absorbency & controls odour. It ensures a relatively pleasant experience to baby.
